Smart for Hotels Supplies

Smart For Hotel Supplies

Smart For Hotel Supplies is a leading Egyptian manufacturer and supplier specializing in high-quality bath and bed linen crafted from premium cotton, tailored specifically for the hospitality industry.

With a strong presence in Kenya and beyond, Smart delivers outstanding craftsmanship, intentional design, and superior quality across all products, including bed linens, bath towels, table linens, and hotel amenities.

Smart has been serving the hospitality industry since 2009. Over the years, we have built a reputation for excellence, consistency, and innovation, making us a trusted partner for leading hotel chains.

Smart has officially been appointed as a Preferred Supplier for the InterContinental Hotels Group (IHG), as well as the Fairmont group of hotels, marking a significant milestone in our global partnerships.

Our mission is to enhance the guest experience by providing hotels with exceptional quality linen and hospitality products.

Bed Linen Collection: Where Comfort Meets Elegance

Our Bed Linen Collection is designed to deliver a luxurious and restful experience for hotel guests. Crafted from 100% cotton or premium cotton-polyester blends with thread counts ranging from TC200 to TC500, our linens combine softness, durability, and sophistication. Perfect for hotels, resorts, and hospitality businesses, this collection ensures a memorable guest experience.

Bed Linen

Flat Sheets

- **Materials:** 100% cotton or cotton-polyester blends
- **Thread Counts:** TC200, TC250, TC300, TC400, TC500
- **Sizes:** Single, Double, Queen, King, Super King, custom sizes available
- **Features:** Soft and breathable, ideal for a restful night's sleep. Perfect for high-traffic hospitality settings due to their durability.

Fitted Sheets

- **Materials:** 100% cotton or cotton-polyester blends
- **Thread Counts:** TC200, TC250, TC300, TC400, TC500
- **Sizes:** Single to Super King, custom sizes available
- **Features:** Snug-fit design with elastic edges ensures a secure fit on any mattress. Easy to maintain and built to last.

Duvet Covers

- **Materials:** 100% cotton or cotton-polyester blends
- **Thread Counts:** TC200, TC250, TC300, TC400, TC500
- **Sizes:** Single to Super King, custom sizes available
- **Features:** Elegant and durable, these covers add a touch of luxury to any bed. Available in various weaves to match your aesthetic.

Pillow Cases

- **Materials:** 100% cotton or cotton-polyester blends
- **Thread Counts:** TC200, TC250, TC300, TC400, TC500
- **Sizes:** Standard and custom
- **Features:** Soft and breathable, these pillow cases protect pillows while enhancing guest comfort. Ideal for branding with hotel logos.

Protective Linens

Pillow Protectors

- **Material:** Soft microfiber (80 GSM)
- **Sizes:** Standard and custom
- **Features:** Hypoallergenic and machine-washable, these protectors shield pillows from stains, dust, and allergens, extending their lifespan

Mattress Protectors

- **Materials:** 100% cotton or cotton-polyester blend
- **Sizes:** Single to Super King, custom options available
- **Features:** Durable and hygienic, these protectors safeguard mattresses from spills, stains, and dust mites, ensuring a clean guest experience.

Comfort Enhancers

Mattress Comforters

- **Fill:** Polyester microfiber
- **Sizes:** Single to Super King, customizable
- **Features:** Plush and lightweight, these comforters add warmth and luxury, perfect for cooler climates or extra comfort.

Duvets

- **Materials:** 100% cotton or premium blends, filled with feather or fiber
- **Sizes:** Single to Super King, custom sizes available
- **Features:** Warm, breathable, and durable, these duvets are ideal for all seasons. Feather-filled for luxury, fiber-filled for hypoallergenic needs.

Pillows

- **Fill:** Feather or fiber
- **Sizes:** Standard and custom
- **Features:** High-quality fill provides optimal support and softness. Available in various firmness levels to suit guest preferences.

Thread Count and Fabric Options

Thread Counts: TC200, TC250, TC300, TC400, TC500

- TC200–TC300: Durable and breathable, ideal for frequent use.
- TC400–TC500: Ultra-soft and luxurious, perfect for premium guest experiences.

Fabrics:
